

EXPO REAL Conference Rooms: Classic or Longterm Rental – Tailored to your individual needs.

Bookable from June 2018 in the Exhibitor Shop

Important note: The conference rooms may only be booked for events that are in line with the product and service categories of EXPO REAL 2018. No bookings can be accepted for events with non-related content, e.g. building materials, interior design, energy supply etc.

During EXPO REAL 2018 we are offering our exhibitors the chance of booking a conference room. The rooms – available in different sizes – are located on the first floor directly above the exhibition halls. Rooms will be allocated on a **first-come, first-served** basis. Please note that your speakers, panelists, presenters, etc. will need a valid entrance ticket of EXPO REAL 2018 for them to be allowed onto the site during the exhibition.

You may choose between two types of conference room: Classic and Longterm Rental. (See p. 4 ff. for details of sizes and locations).

Conference rooms **Classic**

- Each of the **Classic Rooms** is equipped with standard row seating.
- To ensure all your guests are well looked after during your event, we have equipped **all** our **Classic Rooms** with an elegant NESPRESSO coffee machine and a water dispenser.
- In the case of the rooms above the A halls, these machines are all located inside the conference rooms. For the conference rooms above Halls B and C, the machines are set up in the lobby.

It is not permitted to offer food and other drinks in the *Classic Rooms*.
